NCV - NATIONAL CERTIFICATE VOCATIONAL

The National Certificate Vocational "NCV" is a programme at each of the National Qualification Framework (NQF) levels of study. It will take three years to complete the full (NQF L2/3/4) qualification. Designed as high quality, high knowledge programmes to provide the out of school youth and post grade 9 learners with the option to jumpstart their careers by beginning at (Grade 10) Level 2. The NCV qualifications will involve practical and workshop type training. Students who have completed an NCV qualification will be eligible for employment in their chosen fields of study or articulation to Higher Education institutions.

MINIMUM ENTRY REQUIREMENTS:

16 years or older and a pass in Grade 9 or higher or an NQF level 1 qualification.

COURSES OFFERED

Engineering & Related Design: Automotive Repair And Maintenance

This deals with the fundamentals of vehicle technology and equips students with the necessary confidence to perform tasks related to vehicle components-engines, gearboxes, fuel systems, body components and electronics.

Electrical Infrastructure Construction

This programme covers both heavy and light current fields. Learners are eligible to access careers in Electrical Engineering, domestic/Industrial/electrical maintenance, digital electronics, instrumentation and self-supporting enterprises.

Engineering & Related Design: Fitting & Turning

Fitting and turning deals with the various processes involved in making or producing components required in the manufacturing, engineering and technological environment.

Engineering & Related Design: Fabrication

Engineering Fabrication involves making or producing steel components required in the manufacturing, engineering and technological environments.

Information Technology and Computer Science

Information technology and computer science programme covers the interpretation of software applications, networking, I.T principles and data processing.

Hospitality

This learning programme covers sectors of the tourism and hospitality industries. It provides learners with marketable skills to enter the hospitality industry placing emphasis on the importance of client satisfaction for revenue generation.

Tourism

Covers skills such as map reading, forex conversions and tour guidance. It also concepts such as sustainability, heritage and conservation and helps to form the foundation of successful tourism practice.

Transport & Logistics

Logistics is the planning, organisation, management, execution and control of freight transport operations. It integrates individual transport acts to door-to-door supply chains, determining the efficiency of freight transport.

Office Administration

This programme involves planning, organizing and the execution of office duties and administration the business environment.

Educational and Development

This qualification is designed to provide both the theory and practice of Education and Development. It will provide students with the practical component of study which may be offered in a real work space environment.

PRE-VOCATIONAL LEARNING PROGRAMME

This programme is designed to assist candidates/learners who do not meet the minimum APS required for entry into the NC(V) Programmes. Candidates are referred to study PLP in order to improve their subject achievement levels. (This is a one year programme- Subjects are English, Mathematics, Science, Life Skills- including Technology)

REPORT 191 ('N' COURSES) AND OTHER PROGRAMMES

The NATED / Report 191 programmes are delivered under the auspices of the Department of Higher Education and Training and quality assured by Umalusi. The programmes consist of 18 months theoretical studies at a TVET College and 18 months relevant practical application in work places. Engineering studies range from N1-N6 while Business and Utility Studies range from N4-N6.

**Engineering Study Courses are trimester programmes (3 months per level)*

**Business Study Courses are semester programmes (6 months per level)*

DURATION: 1 Year for N1 – N3 Engineering Studies / 1 Year for N4 – N6 Engineering Studies
3 Years (18 months theoretical studies + 18 months' workplace application) for N4 – N6 Business and Utility Studies

Qualification: N6 Diploma

ADMISSION REQUIREMENTS:

Engineering Studies- Grade 12 pass (N2/N3 admission- dependent on Mathematics and Science marks)

Business Studies-Grade 12 pass for N4 admission.

Bursaries: are available for financially and academically qualifying students.

Terms and Conditions apply to all Admission Requirements, Bursaries and other enrolment and registration procedures.

FULL AND PART-TIME PROGRAMMES

NATED: ENGINEERING STUDIES: N1-N6	NATED: GENERAL STUDIES: N4-N6
PROGRAMMES	
	Hospitality
Electrical (Heavy & Light Current)	Tourism
Civil Engineering	
Mechanical (Automotive, Fitting, Diesel, Boilermaking)	SKILLS PROGRAMMES
Wireman's license-Exam Entries only	Wholesale and Retail
Government Certificate of Competency (Government Ticket)- Subject Entries Only.	Bricklaying
	Electrical
NATED: BUSINESS STUDIES: N4-N6	Plumbing
Business Management	Boiler-making
Marketing Management	Welding
Financial Management	Motor Mechanics
Human Resources Management (Part-Time Only)	Assistant Chefs
Public Management	Basic End User Computing
Public Relations	
Educare	

Skills courses are offered when funding is available.
